WITHROW ANNUAL
WITHROW HIGH SCHOOL
CINCINNATI 8, OHIO

Withrow, silhouetted against the winter sky amid a lacy network of trees, reminds us of a fairyland.

As light fades into darkness, Withrow begins to glow, giving forth a regal radiance to her campus.

Leaden-colored skies, a jagged flash of lightning, the methodic thump, thump, thump of the rain against the rising and falling sea of umbrellas—Nature's tantrums form part of our history, too.

Nine o'clock and all is well! The campus stands deserted, for another day has begun at Withrow.

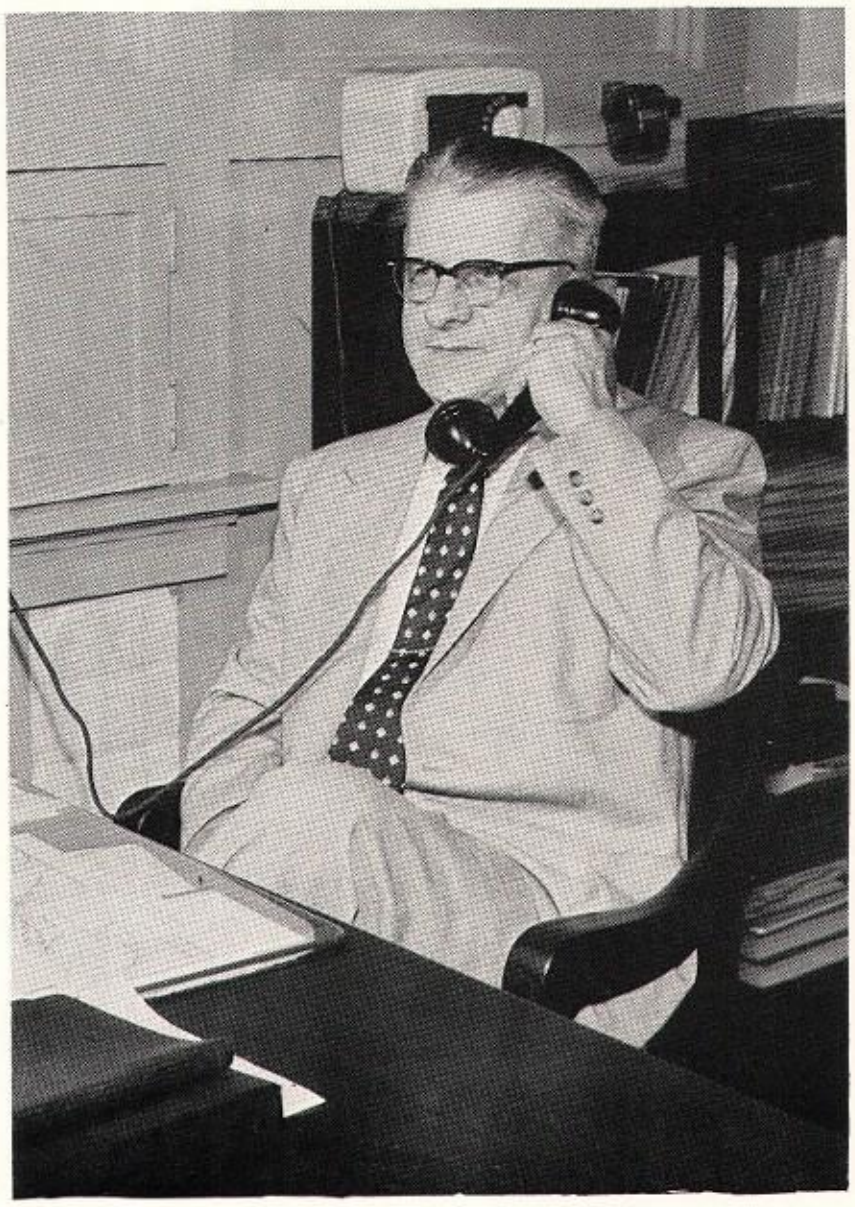
ADMINISTRATION

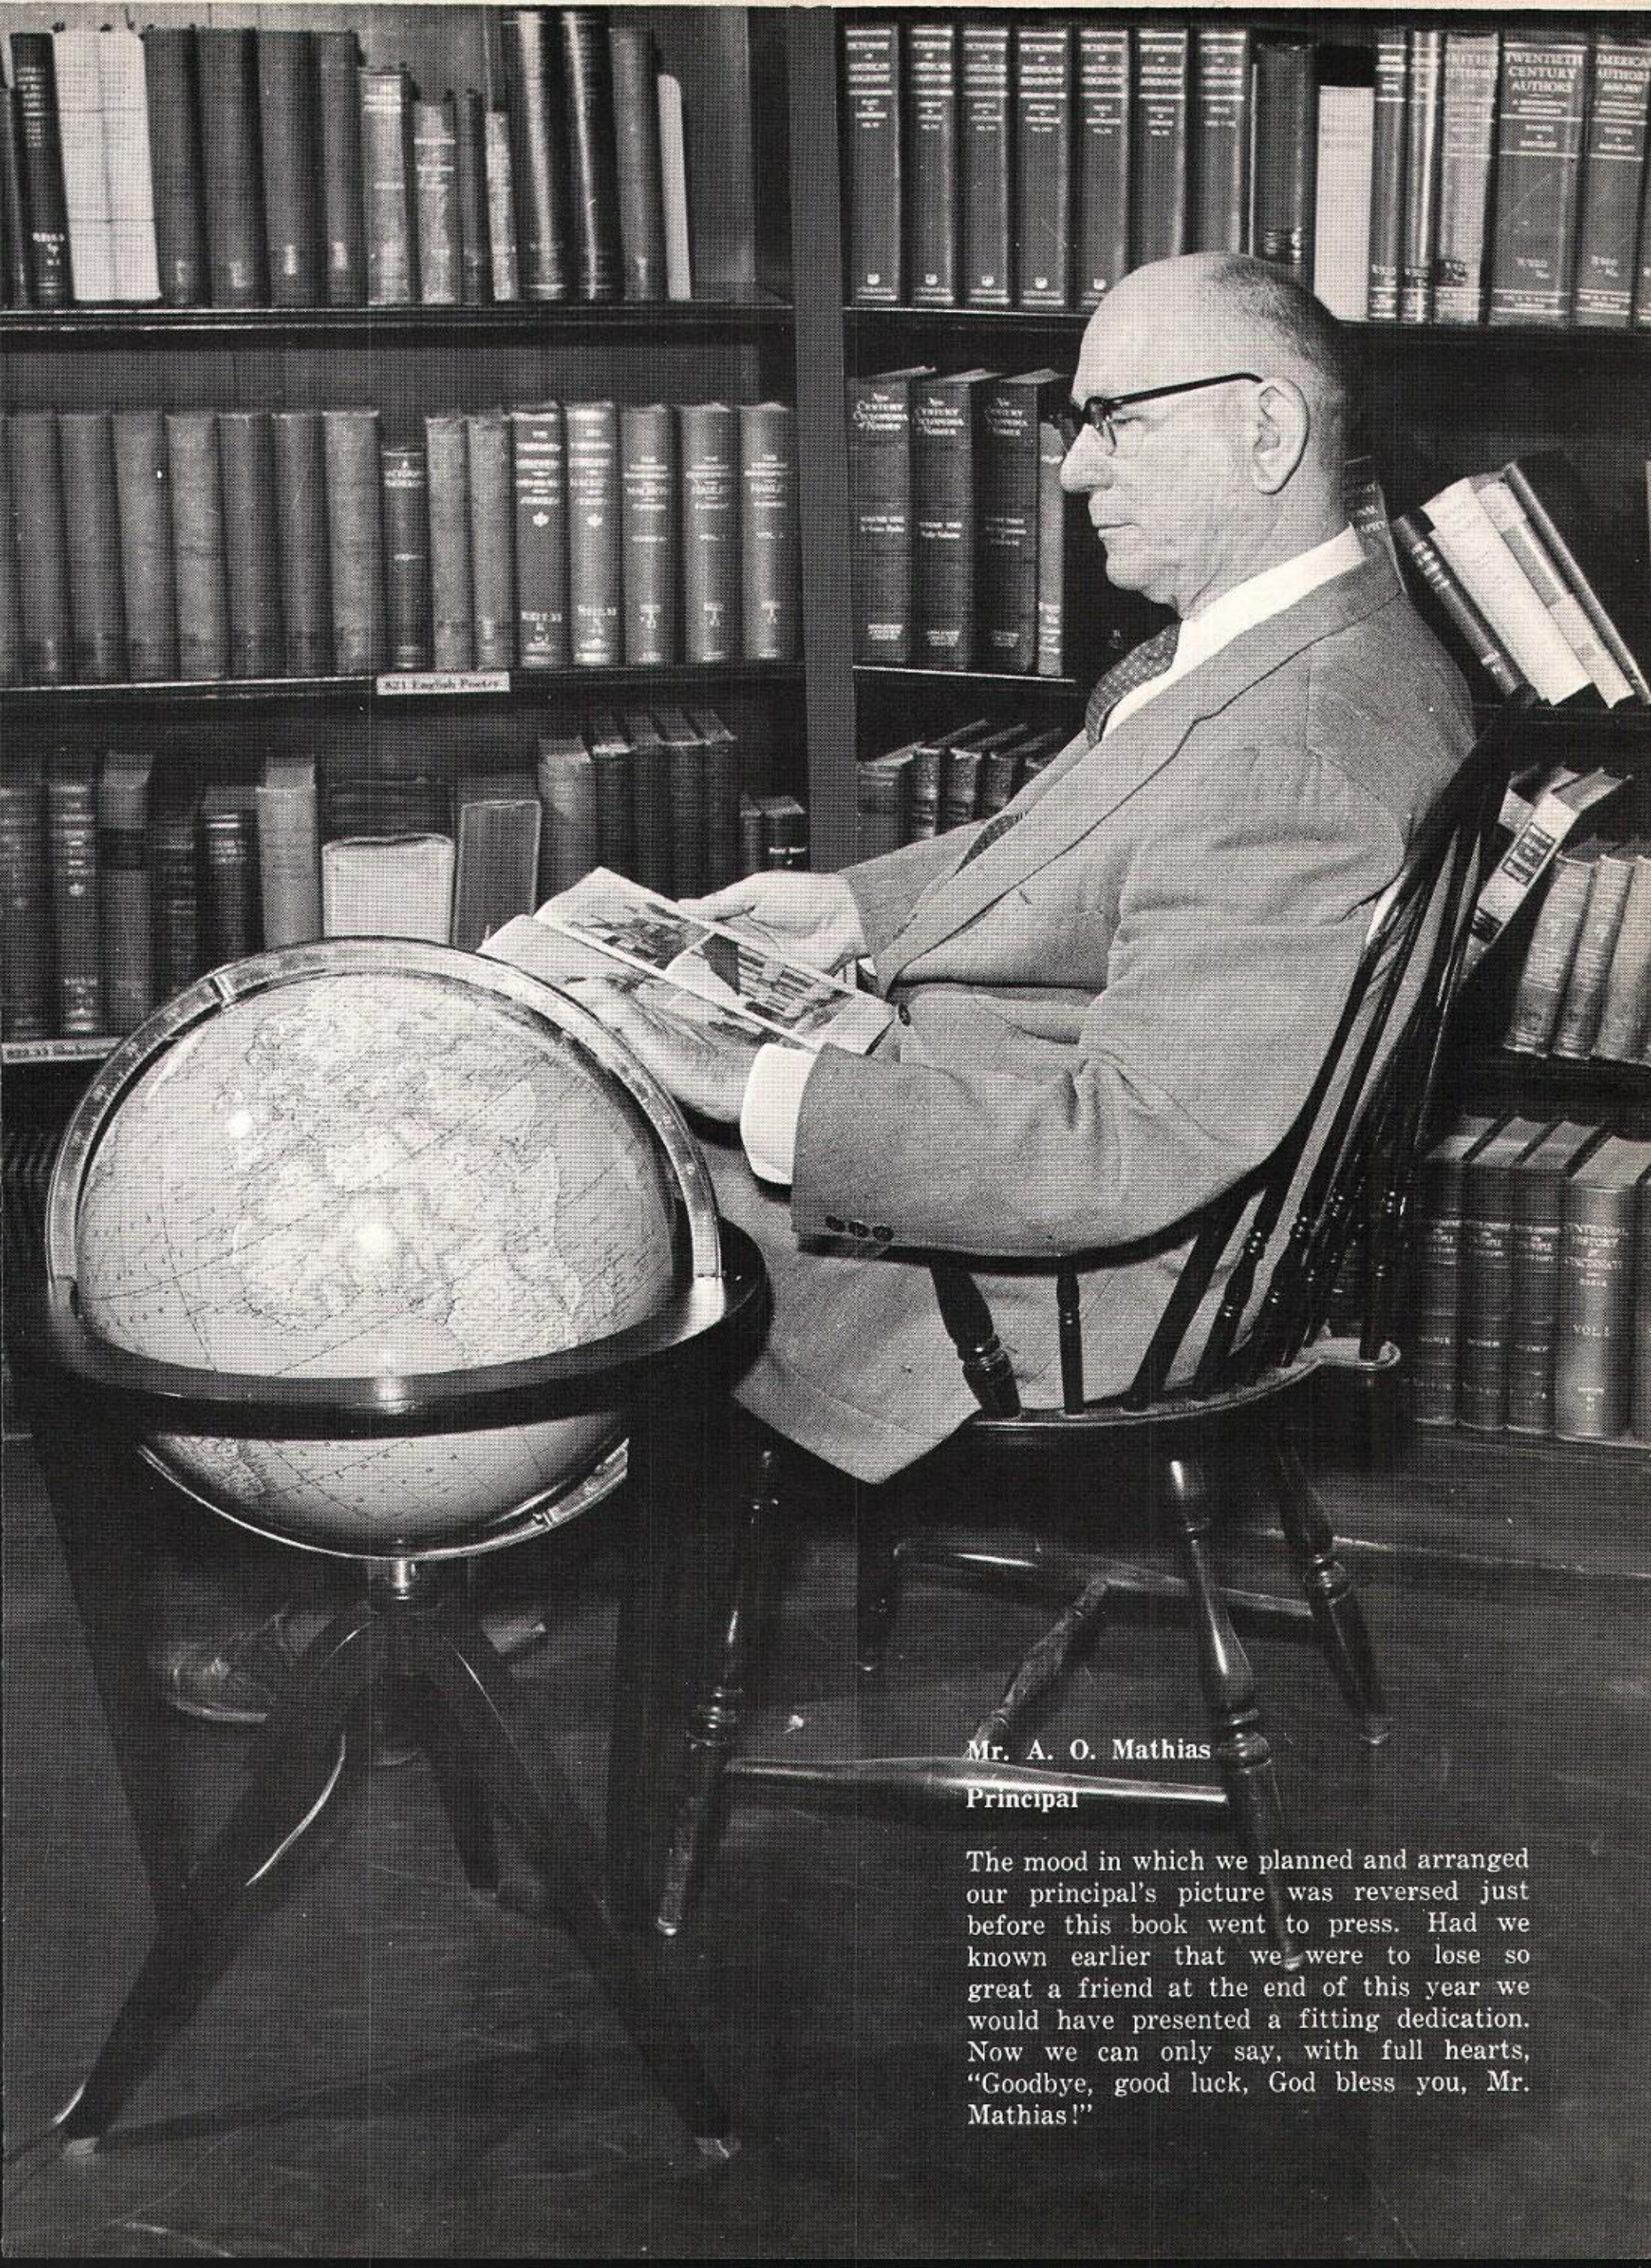
Mr. R. G. Wilbur
Assistant Principal

Although his office is in the senior high building, Mr. Wilbur's main concern is with the students of the three lower grades. He may often be found hastening from one building to the other as he diligently attempts to iron out all of the problems presented to him.

Mr. Arthur Vigard
Assistant Principal

Mr. Vigard is the other half of a team of assistant principals that can't be beaten. In addition to helping with the general administration of senior high, Mr. Vigard supervises the student store, heads the summer school program, and is the faculty adviser of Sigma Gamma.





Mr. A. O. Mathias

Principal

The mood in which we planned and arranged our principal's picture was reversed just before this book went to press. Had we known earlier that we were to lose so great a friend at the end of this year we would have presented a fitting dedication. Now we can only say, with full hearts, "Goodbye, good luck, God bless you, Mr. Mathias!"

Mrs. Virginia Konrad
Senior High Girls' Counselor

Miss Lulu B. Murphy
Junior High Girls' Counselor

COUNSELORS

Solving the numerous individual needs and problems of the students is a big responsibility but our counselors handle the work competently. With careful planning and consideration many a boy or girl is guided into studies that will give him a useful background for a college or a job. Whatever the task may be, our leaders are always ready to give the rising generation the boost they need to build a successful future.

Mr. Darwin Kimble
Junior High Boys' Counselor

Mr. Joseph Rudolf

OFFICE SECRETARIES

Miss Wanda Hoefle

How many times have we walked into the office to the staccato accompaniment of the typewriter? And how many times have our office secretaries taken time out from their work to help us with our problems? How much we owe to these cheerful, friendly, efficient secretaries! Without them the business end of our school could not possibly succeed!

Miss Agerter—how deep an impression her contributions have made!

Teacher! Friend! Guide! How thankful we

Since 1919 **Miss Rose Agerter** has been a part of Withrow. Her presence was as natural and accepted as the blooming of the magnolias on the campus in spring. Whenever alumnae visited the school during that span of thirty-six years, they expected to see Miss Agerter sitting busily at her desk in her second floor office, and they were never disappointed. Although the room number and appearance of her office changed over the years, Miss Agerter has remained the same. Now that she has retired, we can only say to her, "Thanks for all your years of devotion to Withrow, and the best of luck for the happy years ahead in your lovely home."

ART AND MUSIC

Art is a form of expression familiar to many hard-working Withrow students, but the many hours spent by the classes in learning symmetry and naturalness of line are balanced by the fun of a class project.

A teacher may sometimes wonder whether his struggles are worthwhile, but the occupational hazards encountered in the process only make the end result of his tedious labor more satisfying.

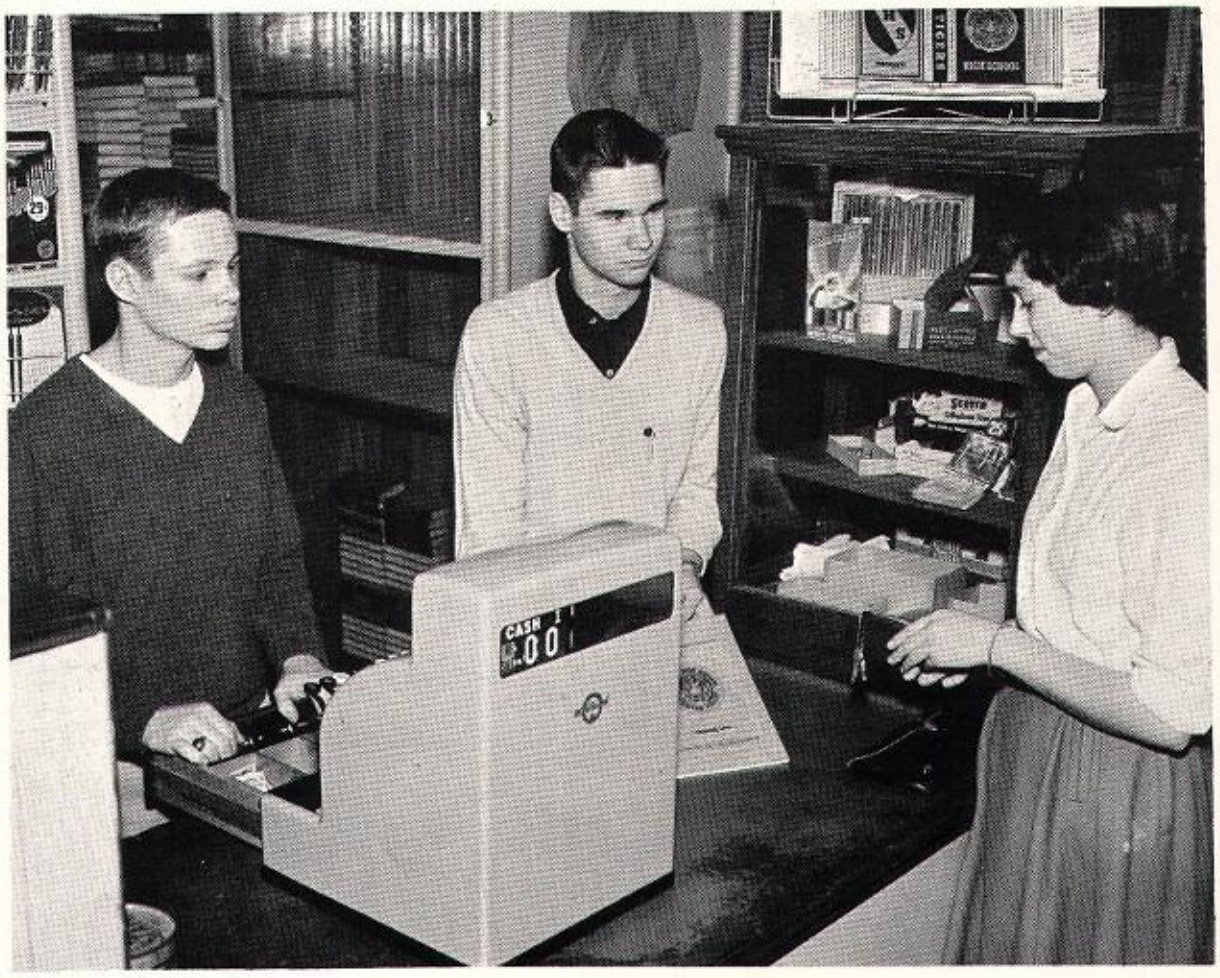
TREASURER'S OFFICE AND STUDENT STORE

High finance is a point of interest to Ward Van Epps and Don Fisher.



Most of us at Withrow would feel completely lost without the **student store.** This dispenser of necessities for the trials of student life is supervised by Mr. Vigard and operated by two students of his choice. The **treasurer's office,** headed by Mr. Rhollans, is another very active room. Competent students help him care for most of Withrow's money problems which include contributions and a wide range of fees.

SCHOOL SERVICES

Under the efficient skill of our dieticians there is always plenty to eat from first lunch to last. The hungry Withrow students passing through the lunch line take little time, however, to appreciate the enormous quantities of roast beef, hot rolls and apple pie Miss Fulreide and her staff prepare for them. Thanks comes to these busy women only when they behold a hungry student's expression upon finding his favorite food.

One of the most essential and sturdy corner stones on which our school body rests is that of the **senior high janitors,** Harry Henson, Mike Schramer, and George Pfitzer. Constantly striving to retain the beauty of our campus, plus carrying out the hundreds of other menial tasks allotted them, these men have proved themselves totally dedicated to their work. Indeed, few **students** can boast such love for Withrow High.

Did you, junior highers, ever wonder who came in to spruce up the classroom of which you so accidentally made a mess with a day's work, who pleasantly and patiently collected stray candy wrappers in the hall, and who long hours after the three o'clock bell, worked on such jobs as broken pencil sharpeners, a stubborn lamp, or a desk somehow improperly sized? Frank Clepkane and Fred Brackmann perform these duties for you.

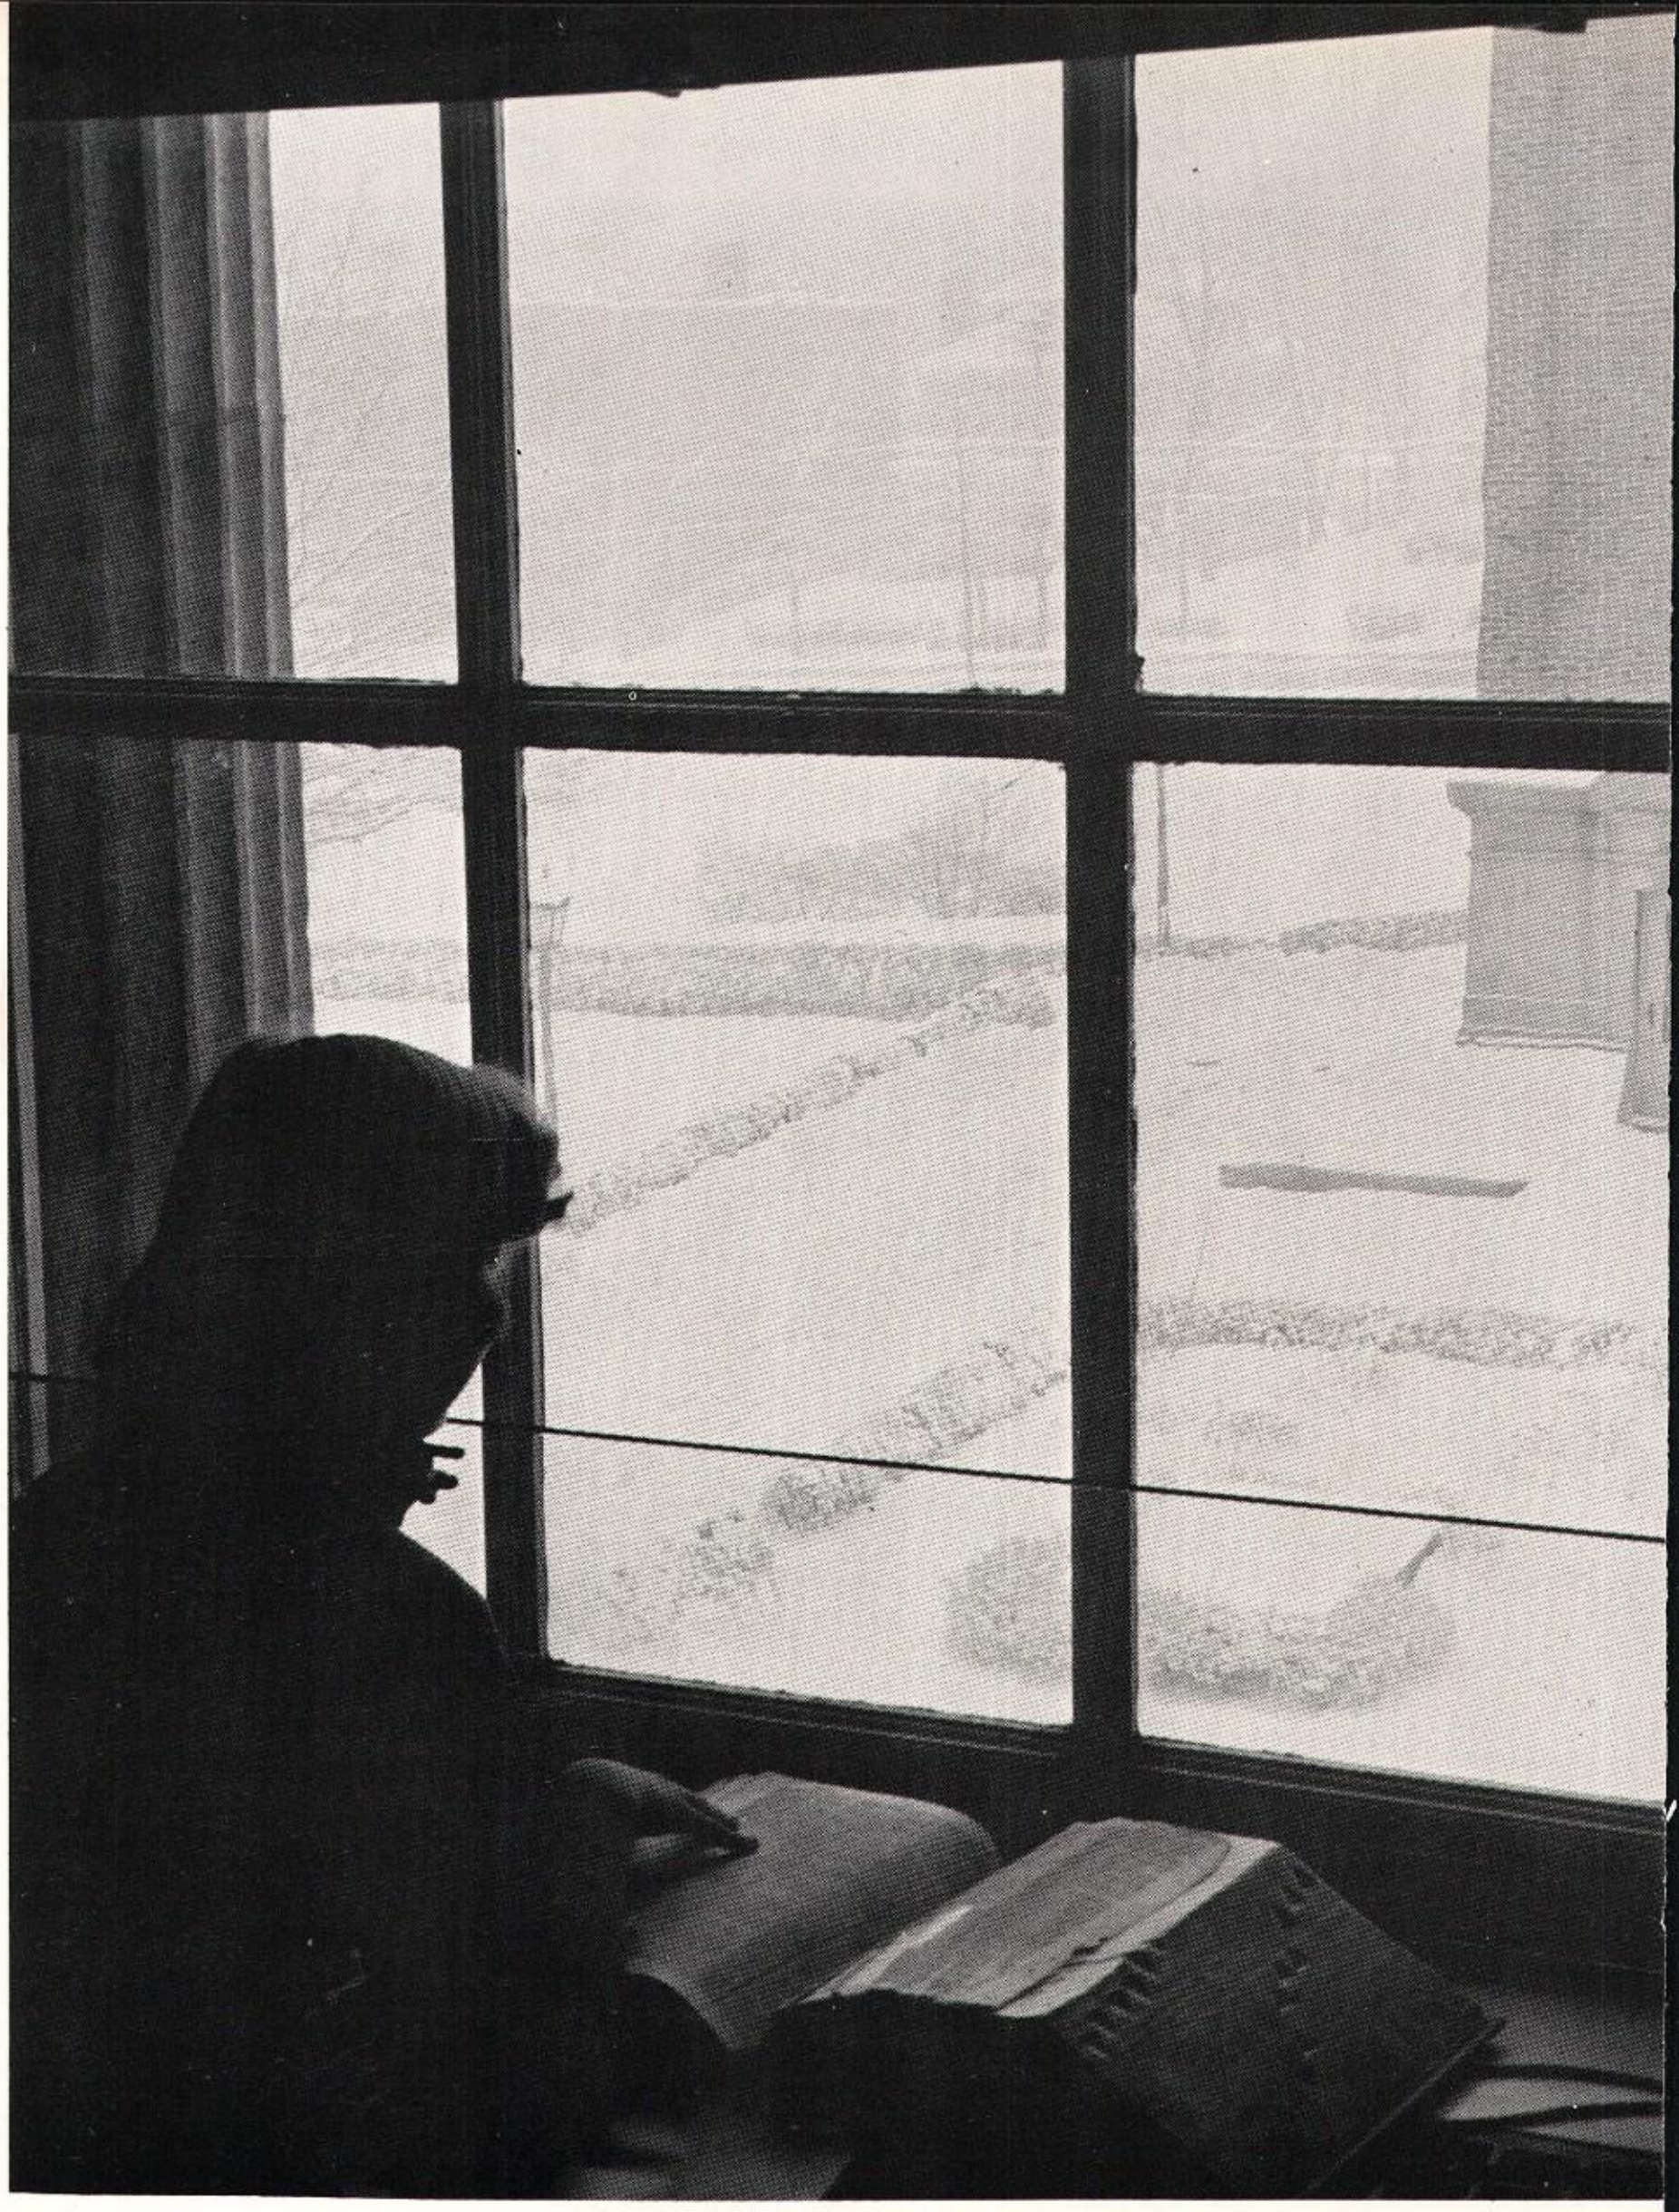
First a lively and crowded bus ride to school and then . . . the expectant thrill of learning to drive.



Junior Impressions

. . sometimes only a pause in the daily routine as we recall incidents and experiences which made us sad and happy. Fortunate are we to have the coming year to add to our reminiscences!

SENIOR STUDENT COUNCIL

Six years ago a new organization came to life at Withrow. The purpose of this organization, **Student Council,** is to promote student cooperation and to create better relations between students and their teachers, parents, and community. In the years since the council's birth, it has also made improvements around school and enabled various class projects to be carried out. Now this busy and efficient organization has been joined by the **Junior Student Council.** With representation from all six classes, the two councils will be able to accomplish even more in the future.

Scribblers, with Miss June Wood as faculty adviser, is a society with high ideals and literary aspirations. It attracts outstanding junior and senior girls who want to further their knowledge and appreciation of classic literature. Each new member is required to pen her own creative work, whether it be a poem, essay, or short story. Not all of these budding authors will become famous in the field of literature, and perhaps those who choose writing as a career may never be compared to Mark Twain or Sir Walter Scott, but the acquired love of good books will be of permanent value.

PHILOLOGIA

Philologia, supervised by Mr. Dawn Martin, is Withrow's honorary literary club for the boys. This academic organization is made up of seniors until the beginning of the second semester, when applications are received from the juniors. To apply, the junior boy must write an acceptable theme on any current topic. This year, headed by president Roland Skeel, Philologia met twice a month, sometimes sharing its program with Scribblers. Extemporaneous speeches, parties, and an exciting picnic with Scribblers in the spring rounded out an activity-filled, successful year.

GENS TOGATA

Gens Togata celebrated its silver anniversary this year with a musical comedy presented at the spring banquet. In the last twenty-five years, Withrow has seen many changes, but the activities of Latin Club remain the same. Charter members of the club would find little difference in the club's activities—plays, singing, and speeches. May we wish the club **Ave, Gens Togata Immortalis!**

SPANISH CLUB

Buenos dias, senores, y senoritas! These are familiar words to members of **El Club Espanol,** who spend much of their time together enjoying foreign customs and learning more about the fascinating Spanish language. Always Spanish spirit reigns supreme; with the help of Miss Mudge and Jim Arnn, the breaking of the Pinata at Christmas was the success it always is in its own country.

HISTORY CLUB

D. Dieterly, Sgt.-at-Arms; J. Cooper, Corr. Sec.; Miss Caveman; Mrs. Hartsell; S. Maxwell, Treas.; S. Benedict, Pres.; C. Colonel, V.-Pres.

History Club, under the auspices of Miss Caveman and Mrs. Hartsell, and with Sharon Benedict as president, undertook this year to write a new constitution. After this was accomplished, the club settled down to the first well-organized schedule in recent years. Its activities included a tour of historical Cincinnati and the annual picnic in the spring. New members were inducted at a combined initiation and St. Valentine's party.

PHYSICS CLUB

Physics Club is composed of a group of physics students who want to learn more about their subject painlessly and have fun doing so. Mr. Smith helps them accomplish their purpose by leading them in various experiments, thus opening doors of science which would otherwise remain closed.

OFFSET CLUB

The **Offset Club,** under the direction of Mr. George Haymond, prepares the all-important Minstrel programs, football schedules, and other necessary printed matter needed by the students of Withrow for their clubs and activities. These boys learn to be practical and efficient modern printers.

BETA HI-Y

Beta Hi-Y is part of a national organization the purpose of which is to build character through Christian living. Guided by this idea, members of Hi-Y took part in many activities this year, including collecting canned goods for needy families at Thanksgiving. Only juniors and seniors are permitted to join Hi-Y, and late in the fall a very impressive candle ceremony is planned to welcome the new members into this organization.

ALPHA Y-TEENS

Members of **Alpha Y-Teens** are proud of their connection with the Y.W.C.A. The girls, under the leadership of Karen Dills, undertake many worthy and charitable projects and have fun doing them. At Christmas they caroled at Mercy Hospital and packed baskets for some less fortunate families.

JUNIOR ACHIEVEMENT

Junior Achievement is a youth organization which has been growing steadily throughout Cincinnati for several years. Backed by leading corporations which provide materials and facilities for their work, these teenagers sell shares of stock to keep their company financially independent.

PROJECTION CREW

An important school service under the direction of Mr. Heger is made up of boys well trained to operate all types of visual aids the school possesses. The **Projection Crew** handles movie projectors and must know how to thread and manipulate any kind of machine requested by a teacher.

SENIOR CHOIR

Pupils are proud to belong to **Senior Choir** and to work under its director, Ansel Martin. Senior Choir's Christmas Concert is the highlight of their year. The awe-inspiring sight of choir members walking solemnly down the aisle in the candlelight makes one thrilled to be associated with Withrow. Later, the choir takes part in an outstanding Minstrel production, and the unforgettable concert in March is a delightful ode to spring. Clyde Fischer wields the gavel for this industrious group, while Anna Burney serves as its vice president. They are assisted by Bill Hatfield, the treasurer, and secretaries Janet Pandorf and Karen Dills. Another person responsible for the choir's success is Cris Hallerman. For her great job in the essential position as accompanist, she deserves recognition. Indeed, all of these singers deserve recognition.

JUNIOR CHOIR

Madrigal—Withrow's most outstanding group of choral musicians. These chosen few rate special spotting, feature solos, and competition in the state and regional contests. The **Girls' Glee Club,** which is the oldest musical organization at Withrow, takes part in the Christmas and Early Spring concerts. The **Boys' Glee Club** also participates in both concerts. In addition, it forms the opening chorus in Minstrels. **Junior Choir** adds a bit of spark and melodious charm to each program in which it takes part, with young voices blending harmoniously in song as each singer rivets his eyes steadfastly on the waving baton.

Mrs. Mildred Ladley - Annual Literary Adviser

ADVISERS OF PUBLICATIONS

Under the supervision of three faculty advisers, Mr. Viering, Mrs. Ladley, and Mr. Nicely the Annual departments work harmoniously side by side. Through their alert eyes the Annual grows from a few half-shaped ideas to the book that guards our high school memories. Yes, these are our advisers, who are ever ready with a helping hand and a cheerful smile.

Mr. Marvin Rensaw, faculty adviser for Tower News, can be found in room 12 any night after school. He supervises the staff in putting out an A-1 paper. Mr. R's terrific sense of humor eases the strain of editing a superb paper, and makes him a man to remember.

ANNUAL ART STAFF

Amid the maze of layout sheets and pica rulers the Art Staff toils incessantly. An indispensible part in the making of an annual is this body. The staff literally "draws the book," from the first crude dummy made to the exact inch on the layout pages, to the planning of the pictures from which finally evolves the finished product—the Annual, the book you will always remember and cherish with great pride. Every single amusing and witty cartoon and caricature is created by the student artists, often budding geniuses.

Measuring for cropping or enlarging photos the staff plans each page in detail.

ANNUAL LITERARY STAFF

Remember those long hours we spent in room 7 trying to get the Annual out on time? How much of the Annual is not seen—the headaches, the joys, the sorrows and disappointments, the happiness! And there were the hurried meals at Frisch's or the square, and the afternoon candy and cokes.

Lasting friendships were formed between people striving toward the same goal. There was almost unending patience on the part of our adviser and editors—patience occasionally spiced with a dash of temper—these and a multitude of other memories are the intangible part of our Annual for 1956.

The literary staff is a mixture of picas, idents, deadlines and fun.

ANNUAL AD STAFF

Getting ads to sponsor the Annual is a challenging job. Each year this hardworking, enthusiastic staff strives hard to outsell the previous staff and usually succeeds in reaching this goal. Ambitious salesmen continually search for the finest ads advocating highly reputable products from the city's leading merchants. Time, effort, and energy are just a few of the many qualities that an Annual ad salesman must possess to do this job so efficiently. Every salesman takes a highly active interest in his job, for it is a useful experience as well as a pleasurable one.

ANNUAL BUSINESS STAFF

Without our efficient and capably run business staff Withrow would not have the superb Annual of which it now boasts. This staff has the job of financing the yearbook, a project including the subscriptions, ticket sales for the Minstrels novelty tryouts and for the Annual Homecoming Dance, and that most complicated and patience demanding task of all—the individual pictures.

TOWER NEWS

Money! Bills! Can the Business Staff ever forget them?

Any night will find the Tower News room in a hub-bub of excitement as the staff members race against time trying to finish their articles before the deadline. Under the watchful eye of Mr. Renshaw, the adviser, and Cathy Bauer, the editor, the staff puts out a paper that is tops in rating all over the country. The harsh din of people's voices, the frantic re-writes, long hours after school—all play their part in the production of our weekly "Tar Nooze." Through Tower News both the scholastic and the extra curricular side of Withrow combine to form a school united in every way.

THALIAN PLAYERS

Thalian Players, a composite of Withrow's two former dramatic clubs, Withrow Players and Thalian, dashed enthusiastically through its first year. Its initial activity was a pep assembly for football. This was followed by an open house in February, which featured skits, pantomimes, and a one-act play. A suitable conclusion to a highly successful year for the club was a play given in the auditorium during an extended homeroom period.

Thalian Players rewrite Shakespeare's "Hamlet" to prove that justice triumphs.

DRAMATICS CLASS

Original ideas and the interpretation of different plays, poems, and monologues are stressed in the advanced dramatics class. Skits are usually original and are used as class projects. Impromptu speeches have proven the best method to produce different interpretations. Minstrel skits, which are proof of the students' originality, are written and produced entirely by this talented class.

Two Harlem gossipers discuss the traditional "wife beater."

Dramatics classes learn the elements

Miss Rosenberger's dramatics classes are an important part of Withrow's curriculum. Many students have discovered their hidden talents and have gained hours of enjoyment from these interesting sessions. Pupils learn to use voice, expression, and gesture to put over an idea or feeling. Writing and producing become as familiar as acting to these well-versed dramatic students. In the assembly presented by these classes the student body was thrown into gales of laughter by the antics of some of the comedians and impressed by the fine acting and clever characterization presented in the more serious skits.

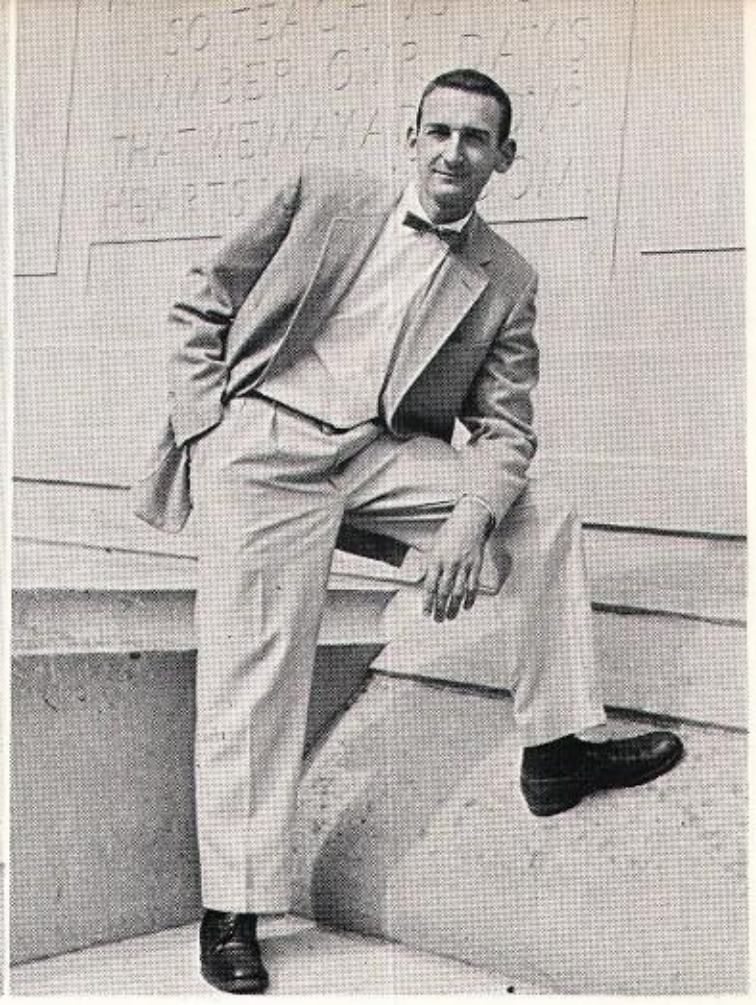
Social Clubs

. . the nucleus of social life in Tigertown . . have an inexplicable bond of fellowship which unites their members. Gay parties and long-awaited formals preserve this feeling of belonging.

Miss Jean Tilford, Girls' Social Club Adviser.



Mr. Oliver Nikoloff, Boys' Social Club Adviser.

The **Interfratority Council** is the chief organ of Withrow's social clubs. The council is composed of the president and vice president of each group and like the clubs meets frequently to discuss interclub problems and to keep outside relations toward the clubs on a friendly and understanding basis. The council gives each club an opportunity to voice opinions on such important problems as pledging, the value of informal initiations, and charitable projects. The clubs also cooperate through the Interfratority Council to contribute to a general scholarship fund, the result of which is a scholarship award to an outstanding senior boy and girl.

Sigma Delta Chi girls will forever hold dear many remembrances of the happy hours spent together. Gay and serious moments of this year are woven into an unforgettable tapestry that years later the members will cherish.

In this age where society is a large and gregarious group with such diversified interests and backgrounds as those of a Cincinnati high school, it is only natural that such an organization would break down into smaller segments based on more common interests, thoughts, and feelings. It is difficult for a large group, where one cannot know all in that group, to sustain any spirit or common bond, but the spirit of several smaller ones works to instill into the larger the enthusiasm that each feels.

Social Clubs not only provide harmony and fellowship for their members, but also offer to the school as a whole, a concern for school activities, ranging from sports to dramatics, a stronger support in scholarship, and an emphasis on the spiritual concept of its members.

Their worth, however, does not stop with school but is carried on through their many, varied social programs. Such things as packing boxes of food for the needy at Christmas time, visiting and presenting variety shows at the hospitals, and raising funds to give as scholarships only begin to scratch the surface of their truly charitable deeds. Yes, social clubs do all this and even more!

All smiles, Smittie directs Presentation Orchestra.

BEHIND THE SCENES

Behind the stage doors hundreds of Withrowites work busily together to form the framework of the Minstrel show. For months ahead of the actual show the costume designers toil incessantly in preparing ideas for costumes. Hand in hand with costume design goes the sewing committee. Too, the stage crew spends many hours in getting the mechanical part of the show in shape. As the time draws near posters are put up and tickets are sold. Then the show opens! Make up committee aptly applies cosmetics, and sewing committee literally holds the show together at the seams.

School rivalry becomes alive under stadium lights, as Withrow pushes forward for the final score.

This year's Tiger football squad, coached by Bob Meador, in his second year on the gym staff at Withrow, fielded ten seniors and one junior on the starting offensive team. These eleven, backed strongly by a superb defensive team, lost no more than two games during the entire season—one to the Middies from Middletown, the other to the Bombers from St. Xavier—and fought a spirited Elder squad to a gruelling 0-0 tie. As further proof of their fine playing, the team had four men named to the all city eleven, regained the Public High School crown for Withrow, and defeated the Cavaliers to capture the Greater-Cincinnati League championship.

Shakespeare's Tragedy of Hamlet played on Withrow's stage this year for the first time. It was a truly masterful production of dramatic acting, but it did vary a little from the original script. The reason—a football pep assembly.

Pep assemblies this year were presented by the dramatic club, the band, and the cheerleaders.

The Withrow marching band not only played in each of the assemblies but also prepared a musical show for every football game. It is always inspiring when they form the traditional "W" and all join in heartily shouting out "On Withrow."

A deep feeling of pride and honor is felt as Withrow's Alma Mater swells throughout the stadium.

HOMECOMING DANCE

Homecoming Day is generally one of the biggest days of the school year at Withrow, and this year was no exception. On this day our victorious Tigers returned to their home stadium for a game with the Taft Senators. This would decide whether or not our team could continue its undefeated streak in the Public High School League, and, when it was all over, our team was again victorious. But the day was still not complete. Before the game each fraternity and sorority had had its own decorated car in which its candidate for King or Queen of the Homecoming Dance that evening was to ride. All the tickets had been bought, that certain girl had been asked, and all Tigertown was looking forward to the Annual Dance. And what a dance it was: beautiful music, entertainment emceed by Bob Braun, and climaxed by the announcement of Homecoming King and Queen Gary Cobb and Barb Tidwell.

and the victories won are lasting.

Candidates gather for a "conflab" in the hall—while our victorious Tigers defeat the Senators.

"Victory! Victory! is our cry! V I C T O R Y! Have we got a team? You're doggone right! Fight, team! Fight, team! Fight, fight, fight!" This cheer just about summarizes the Tiger basketball season this year. Winning nine games and losing only three, our Tiger cagers wound up second in the PHSL, bettered only by the Hughes Big Reds. Led by captain Jim Shorten and high-scorer Dick Lemay, the team roared through the league—defeating West Hi, 'Nut Hills, Central, and Woodward twice, and Taft once. Outside the Public High School League, the Tiger hardcourt men had a 3-2 slate, with wins over Anderson, Norwood, and the Purcell Cavaliers, and losses to Dayton Stivers and the Big Blue of Hamilton High. Hard practice, strict training regulations, teamwork, and fans' rooting really paid off, as Coach Huheey's Tigers ended the season with a record of twelve victories and five upsets—one of Withrow's most successful seasons in recent years.

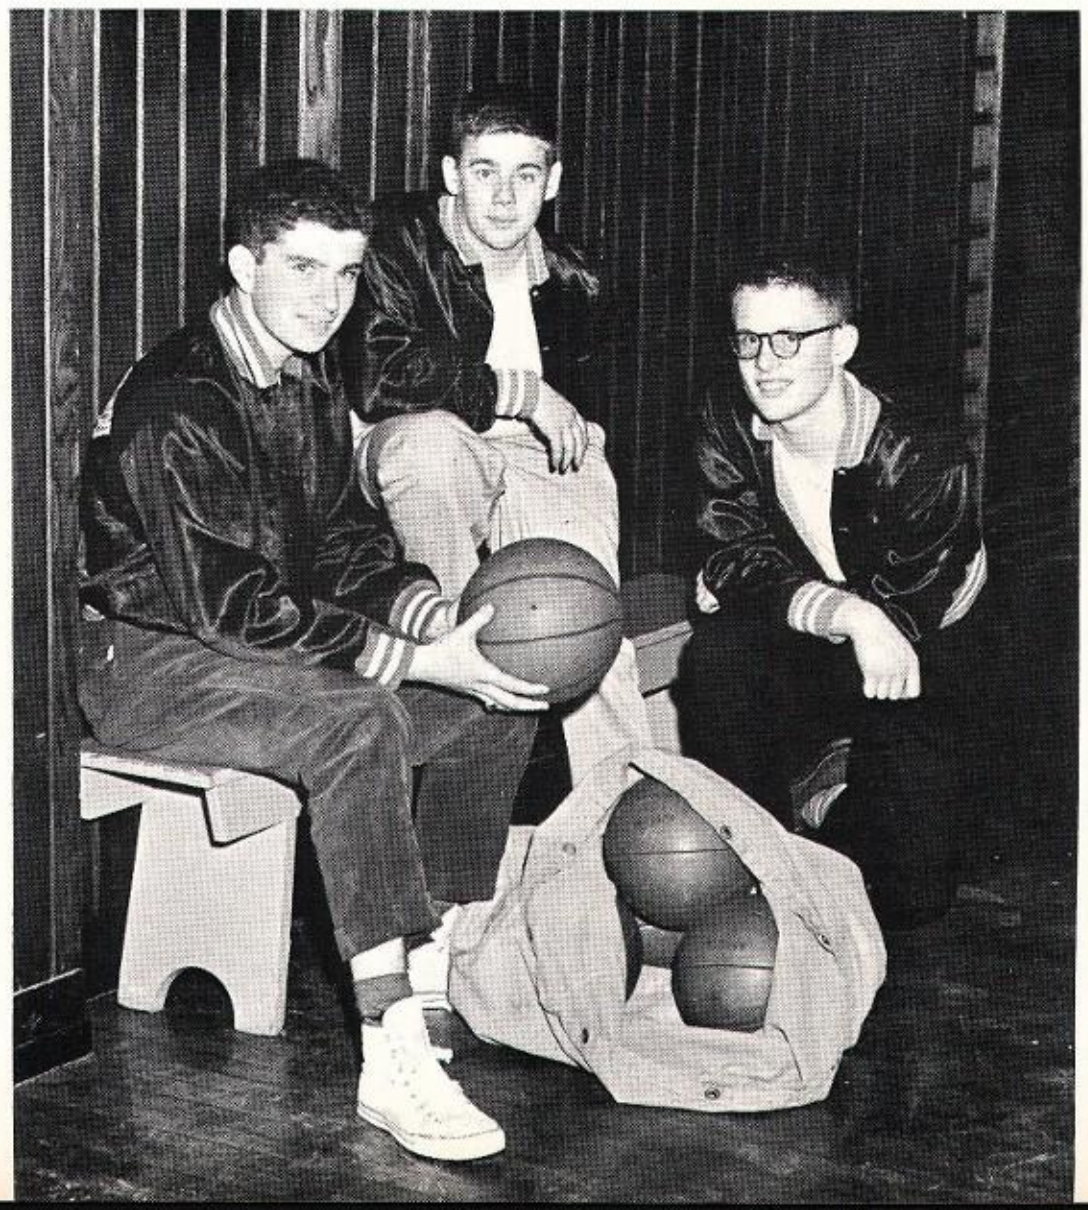
Varsity basketeers usually start early



One of the reasons for our basketball team's huge success is the excellent planning by our basketball managers. These boys, Charles Mueller, Bob Shelton, and Pat Decker, are never without something to do, since they must be sure that the team always has uniforms and equipment available. Promptness, dependability, and enthusiasm—qualifications for being a manager—are outstanding traits of our trio.

SWIM TEAM

Withrow's swimming team, under the direction of Coach Bob Meador, competed in the college AAU swimming meet at Ohio State in January. In March they swam against fifteen other schools at Columbus for the state swimming title. Bill Roebuck, who finished second in the hundred yard back stroke, set a new all time Withrow record. In the two-hundred yard medly relay Withrow's mermen, Bill Roebuck, Denny Russell, Jim Merrilles, and Rich Heiser, finished third. Their time, 1:57.7, was also a new Withrow record. The team has shown good sportsmanship in winning and losing and has represented its school well throughout the past year. Withrow is very proud of these boys and the fine work they have accomplished.

Junior tankers set many new records;

The Junior High aquatic mermen made a splashy debut at the Individual District Swimming Meet. Old records were broken and startling new ones set as 8th grader Larry Herrlinger set a record in the 50 yard free style event, with a time of 26.8 seconds while John Tims smashed through with two new records in the City Meet, the 50 yard backstroke in 32.3 seconds and the 75 yard individual medley in 48.5 seconds. In the district meet John set two more records, the backstroke event with a time of 31.4 seconds and the individual medley with 48.8 seconds. Tops in all diving competition was Bill Gleuck. The relay teams composed of Jerry McCann, Dave Kidd, Jim Nelson, Tom Isgrig, and John Rose placed in both of its events. In the future these boys will pave the way to more outstanding and sensational victories over many top-notch competitors.

CROSS COUNTRY TEAM

Cross-Country and Track require strong

Withrow's long-winded runners, the Tiger cross-country team, can be seen early in the fall, jogging around the school's huge playfield, practicing for the important meets. Slowly at first, then with gradual increase in speed, the team works itself into shape. Then, by the first meet, the boys are in their peak physical shape, and ready to defend their school. This year, the seven-man cross-country team boasted only three returning lettermen, so that it was, actually, a rather inexperienced squad that entered the meets for Withrow. Notwithstanding this gross inexperience, the team got off to a good start, and was running third in the PHSL when Nature began to interfere. Because of rainy weather and postponed meets, the team slipped from third and finished a humble fourth.

Each year in the early spring we notice on our track eager young men r u n n i n g relays, jumping hurdles, and pole vaulting. Noel Kraemer, a returning letterman, last year set a record in the low hurdles, with a time of 21 seconds. We suspect in his subconsicous are ideas of outdoing his own record this year. The team as a whole won the P.H.S.L. championship and came in second in the District Meet, in 1955.

JUNIOR TRACK

Under the supervision of Mr. Higgins, teamwork and good sportsmanship prevail in the junior track team as they leap hurdles, sprint, hurl discus, and pole vault. In the 5 ft. 3 in. high jump H. Stuart set a new record. In the 100 yard dash B. Saar tied the record with the timing of 10.7. In the shot put J. Millhouse set a new record of 47 ft. 7½ in. The best men on the 880 relay team were Stuart, Cobb, Starr, and Saar. Stuart, Lindsey, and Bryant are tops on the hurdles. Such an outstanding team will make fine Varsity material.

TENNIS TEAM

Withrow "racqueteers" provide tough

One of the most successful teams representing Withrow through the year has been the '56 tennis, deftly coached by Mr. Harold Sherman. This year's team, since all are lettermen but one, had enormous potential. Having lost only one match at the halfway mark in the season (Wyoming) the only remaining obstacle to the team tournament and P.H.S.L. championships of any prominence is Walnut Hills. Coach Sherman says, "Last year's team was one of the weakest in our history but the way these boys progressed last summer this team could be classified among Withrow's great ones."

The team's top player, who was the school champion, is Tim Heinle. This Junior was the team's number one singles player. Ralph Navaro, a senior, filled the number two slot, and sophomore Barry Franz occupied the number three post.

We also had two very successful doubles teams; Jim Nelson and Tom Morgan, both seniors, played in the first doubles position, while Paul Buchman, a junior and Bill Hatfield, a senior, played second doubles on our powerful team.

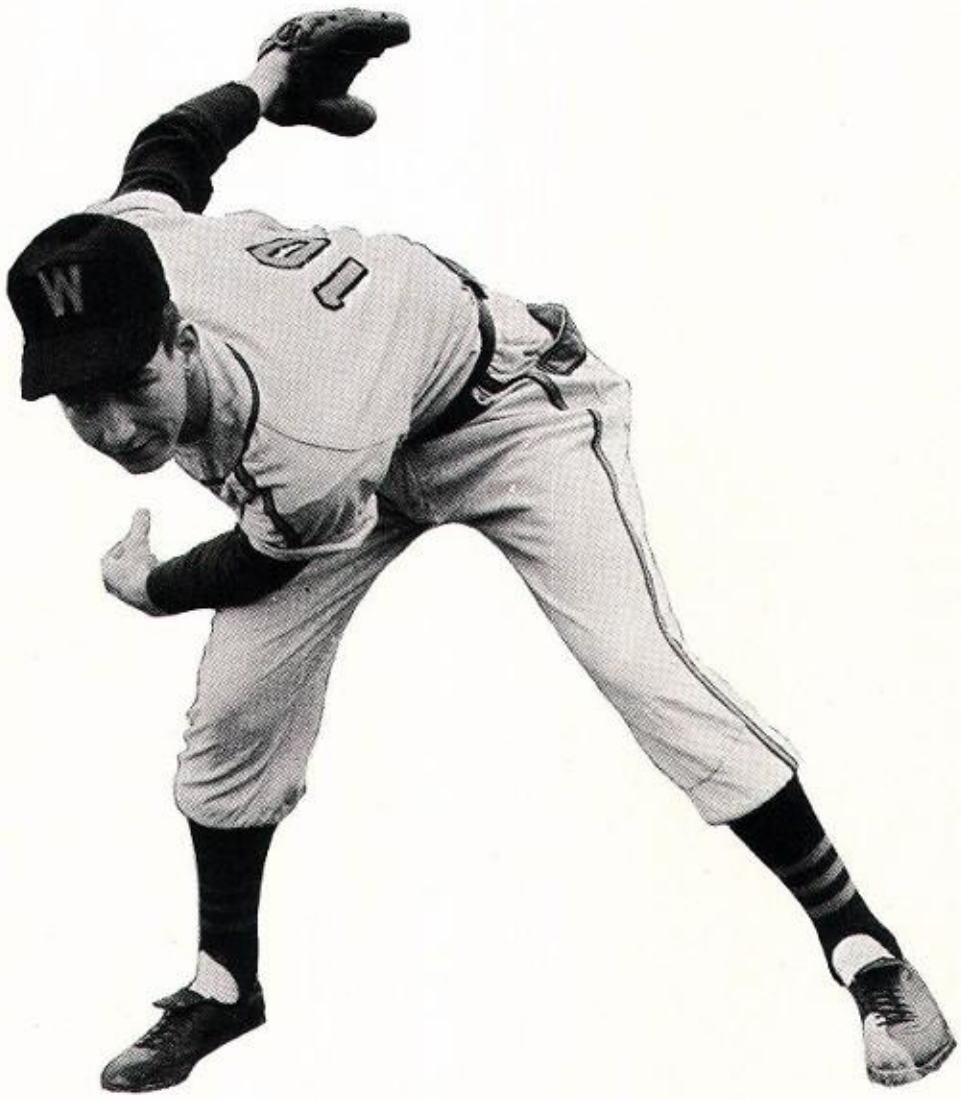
VARSITY BASEBALL TEAM

The Tiger nine combine strength and skill

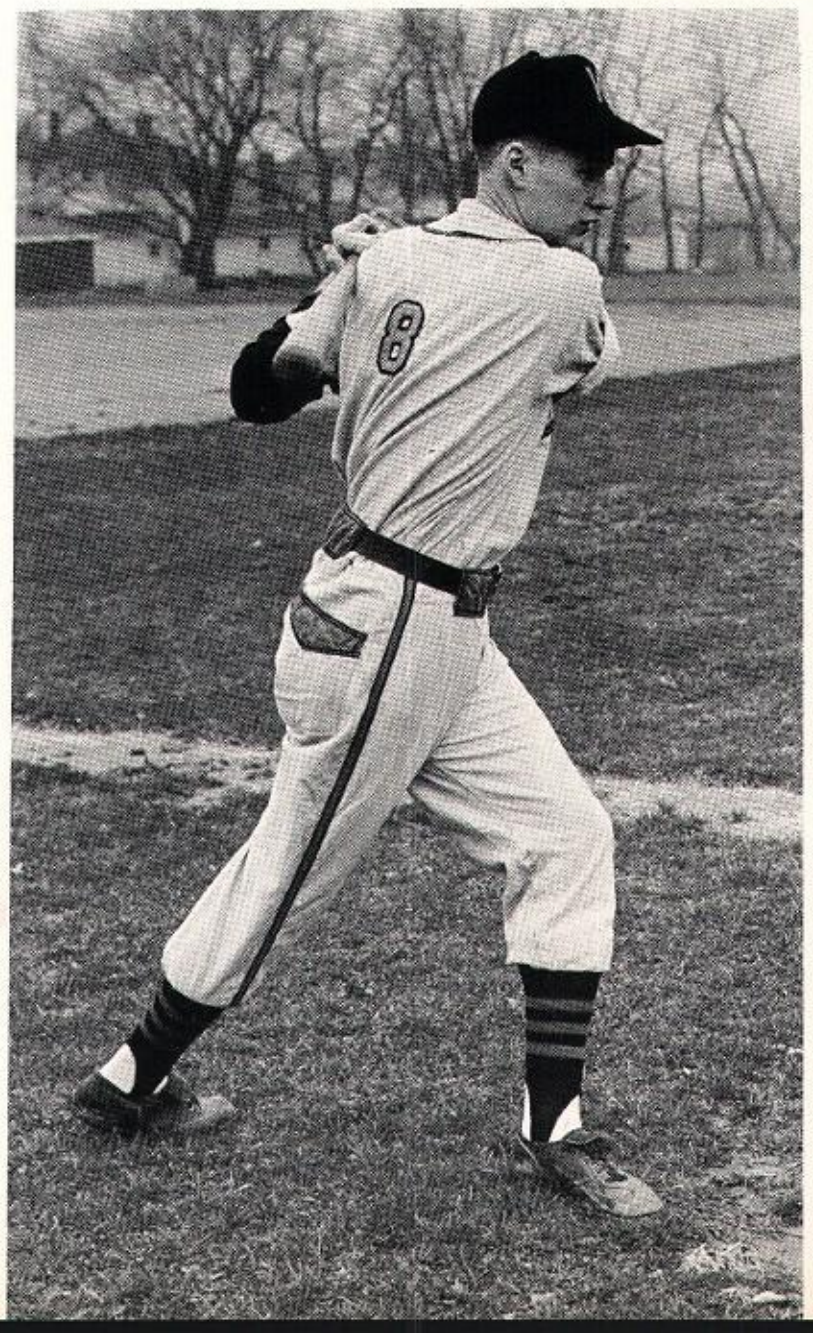


In spring a young man's fancy turns to baseball. Withrow's diamond men are no exception. Long hours of grueling practice make the championship team, which Mr. Huheey coaches. Lee Jewell, catcher, hustles around home plate, while Connie Lackman and Ron Cunningham pitch, and Tom English and "Rookie" Lemay alternately pitch and play first base. The other two bases in the Withrow diamond are strong points of competition; Jim Shorten and Lynn Moore vie for second while Joe Brefeld and Bill DeVore compete for third. Outfield positions are ably filled by Hank Bivens, Bob Murphy, and Joe Brefeld. With our A-I team taking the lead in offensive and defensive play, Withrow is able to claim a 4 won, 0 lost record as of April 12. With twelve games of stiff competition yet to play, our diamond men are going to have to be literally "on the ball!"

Tense muscles strain as Joe exerts a final burst of speed while Jim stretches to receive the ball.

to create a hard-to-beat ball club.

A crack of the bat—a whizz through the air—and it's a homerun for Lee Jewell. A varsity man since his sophomore year, Lee has proved to be an outstanding catcher on the team. Topnotch competition is offered by outstanding local high schools whose rosters are composed of able and prominent participants. Walnut Hills, Hughes, Elder, and our arch rival, Purcell, are some of the teams whom the Tigers have posted on their busy schedule. Purcell always provides a scrappy game as a high pitch of excitement pervades the atmosphere throughout Tigertown. With a closely knit and well organized team the Tigers' hopes for first place will eventually become reality in the present season. The only serious threat is Elder, who has great prowess and a relentless attack, a difficult combination to defeat. With ever present confidence and competent coaching the Tigers will do their utmost to win.



Reserve players evolve into polished diamondeers by improving sliding techniques and basemanship.

G. A. A. builds the character of girls.

The very size of the **Girls' Athletic Association** is one of the features that makes it one of the most impressive clubs at Withrow. **G.A.A.** satisfies any active girl's desire for wholesome fun, healthful living, and all around good times with its varied sports and activities.

DOLPHIN CLUB

"On your mark, get set, go!" The whistle sounds and another **Dolphin Club** meet is under way. Long hours of practice develop the skill and co-ordination required of a good swimmer. Most of the first semester was spent in rehearsal for the bi-annual water pageant, "Trimming the Christmas Tree." On alternate years the girls master the carries and holds required of a trained lifesaver. Whatever the program, sounds of splashing and laughter can be heard coming from the **Dolphin Club** meetings on Thursday afternoon.

The anticipation of a ball rumbling down the alley and finally the crash of the pins—chalk up another strike for these G.A.A.-ers! Balance and co-ordination make a good bowler. Although it is agreed not everyone can master the skill, these girls hope to fulfill the dreams of a true k e g l e r. Thursday afternoons find them increasing t h e i r knowledge of the sport and sharpening their control as they vie in making top scores.

OUTING CLUB

A group composed of happy, healthy girls is **Outing Club.** This club relies on our parks and woods to provide wholesome fun and entertainment. These enthusiastic hikers will fondly look back on rising early on Saturday morning and hiking to a far away place. Many lasting friendships are formed on those enjoyable jaunts which often seemed a bit strenuous at the time. Fostering an interest in outdoor living and the beauty of nature is the main purpose of **Outing Club,** and this aim is accomplished by the efforts of its active members.

DANCE CLUB

The members of **Dance Club** were untiring in the practice necessary to perfect the grace required by Mrs. Walling, adviser, and Muff Walts, president. While busily planning a tea for their mothers, the senior high girls still found time to attend the annual Dance Symposium at Western Hills High School. The talents of these ambitious girls are widely varied and they presented a program of foreign dances and a modern dance routine to the "Barefoot Contessa." These are the lasting impressions and happy memories of the active **Dance Club** members.

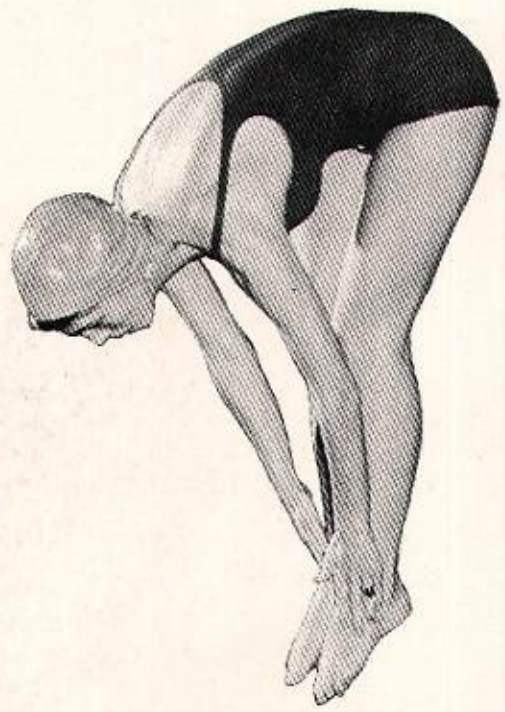
JUNIOR HIGH G.A.A.

Under the leadership of Mrs. Walling, faculty adviser, even the smallest effie has the opportunity of participating in sports suited to her own interests in the **Junior High Girls' Athletic Association.** Active members scoring high points received various awards at the end of the year. Tumbling, soccer, hockey, basketball, and volleyball are only a few of the many activities enjoyed by the junior high girls. Whatever her talents are, a girl can find her interest in G.A.A. and make lifelong friends.



JUNIOR DOLPHIN CLUB

Rightly believing that they deserved and needed an independent club of their own, the junior high girls formed a swimming club. Although the **Junior Dolphin Club** has just been organized, it doesn't lack members. Interest in swimming, whether it is racing, form, or just plain fun, has developed a worthwhile club promoting good sportsmanship, keen co-ordination, and, most of all, good times for all its members. The Junior Dolphins had an exciting and fun packed year sprinkled with enough varied and interesting activities to keep a swimmer busy.

DUX FEMINA

A poem, a name, a carnation in your hand, and a gold bracelet with a beauty all its own—pride and ecstasy await you. A year full of wonderful experiences is anticipated. You are a leader of high standing and scholastic rating. You possess a dignity all your own. You have achieved something to be proud of. You belong to Dux Femina.

Smiling Dux girls sell appealing stationery to classmates in order to boost their scholarship fund.

SIGMA GAMMA

A hush of nervous expectancy settled across the stadium as the magic chant "Sigma Gamma calls . . ." rang out. Proud smiles lined the faces of the twelve boys as they received the badge of their honor on Awards Day. As class leaders at Withrow in 1956, they will become the leaders of the future in business, government, and science.

Mardee and Dan—so content as they reign o'er Tigertown.

Smiling and hopeful, the seniors step forward confidently, as they will throughout life.

An expectant hush falls on the crowd; another graduation begins!

COMMENCEMENT

A busy senior year, full of happy times, climaxed by the magic moments of the Prom, the triumphant march across the bridge and around the stadium, and the sharp realization that graduation has come at last . . . these are the impressions that will forever be a part of the class of 1956.

Ecstasy, memories, hopes, and maybe a few tears, combine on that celebrated day.

Carnations will wilt, but the thrill of being called for Dux will always be fresh in their memory.

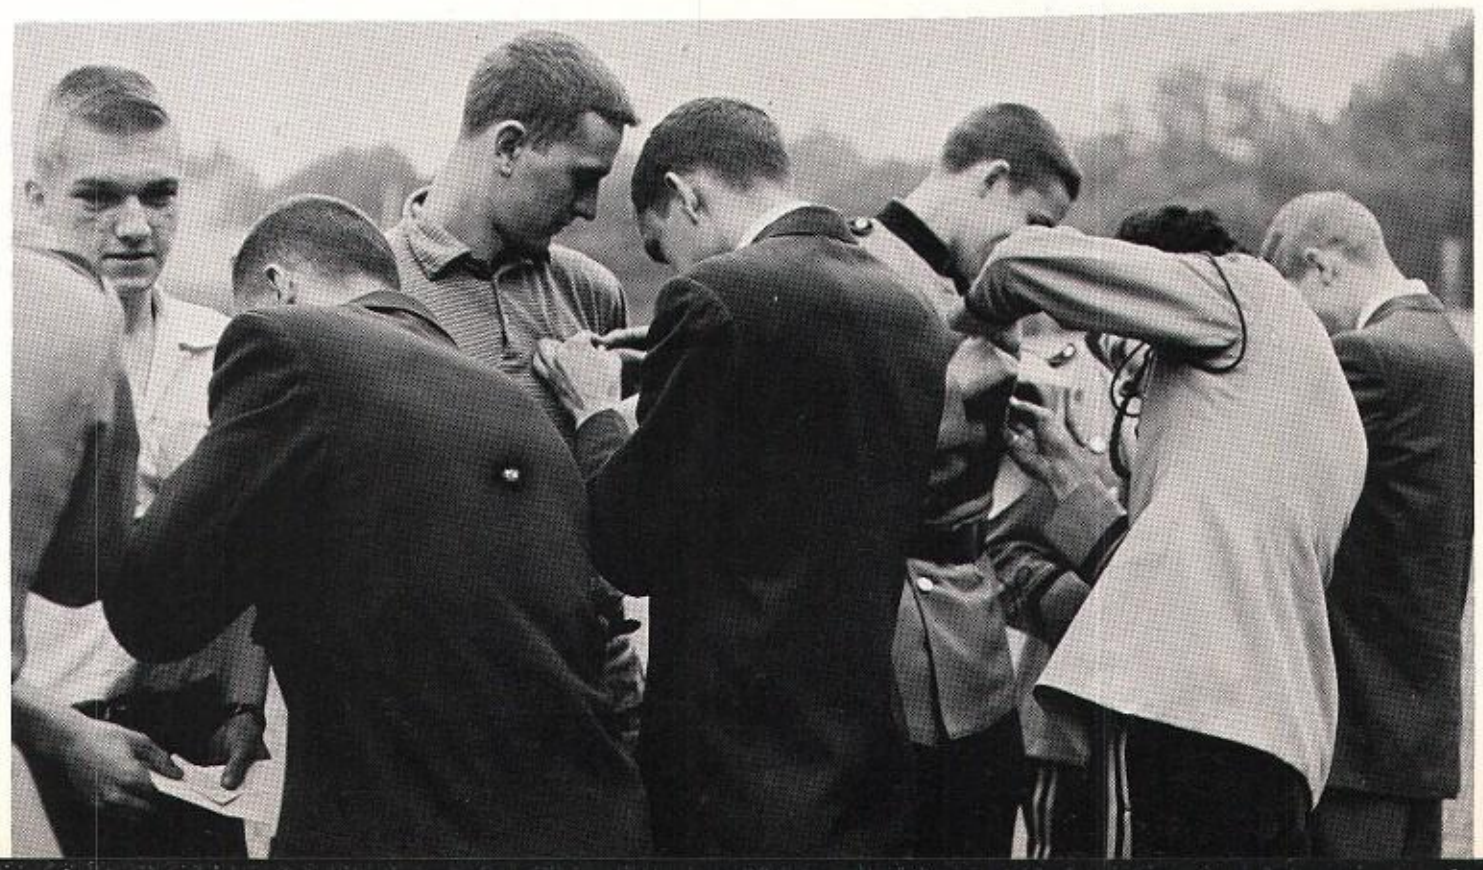
AWARDS DAY

The solemn senior procession, the awarding of scholarships, the presenting of the Harvard and Columbia books to the two junior boys who rank tops in grades and activities, the announcement of the Scribblers' Honor Girl, the calling of the new Dux and Sig members—this is our Awards Day.

A wave of the baton—Awards Day begins.

The eyes of all upon them, seniors make a grand entrance.

Honor, tradition, achievement, and fellowship are represented by Sig's shining pin.



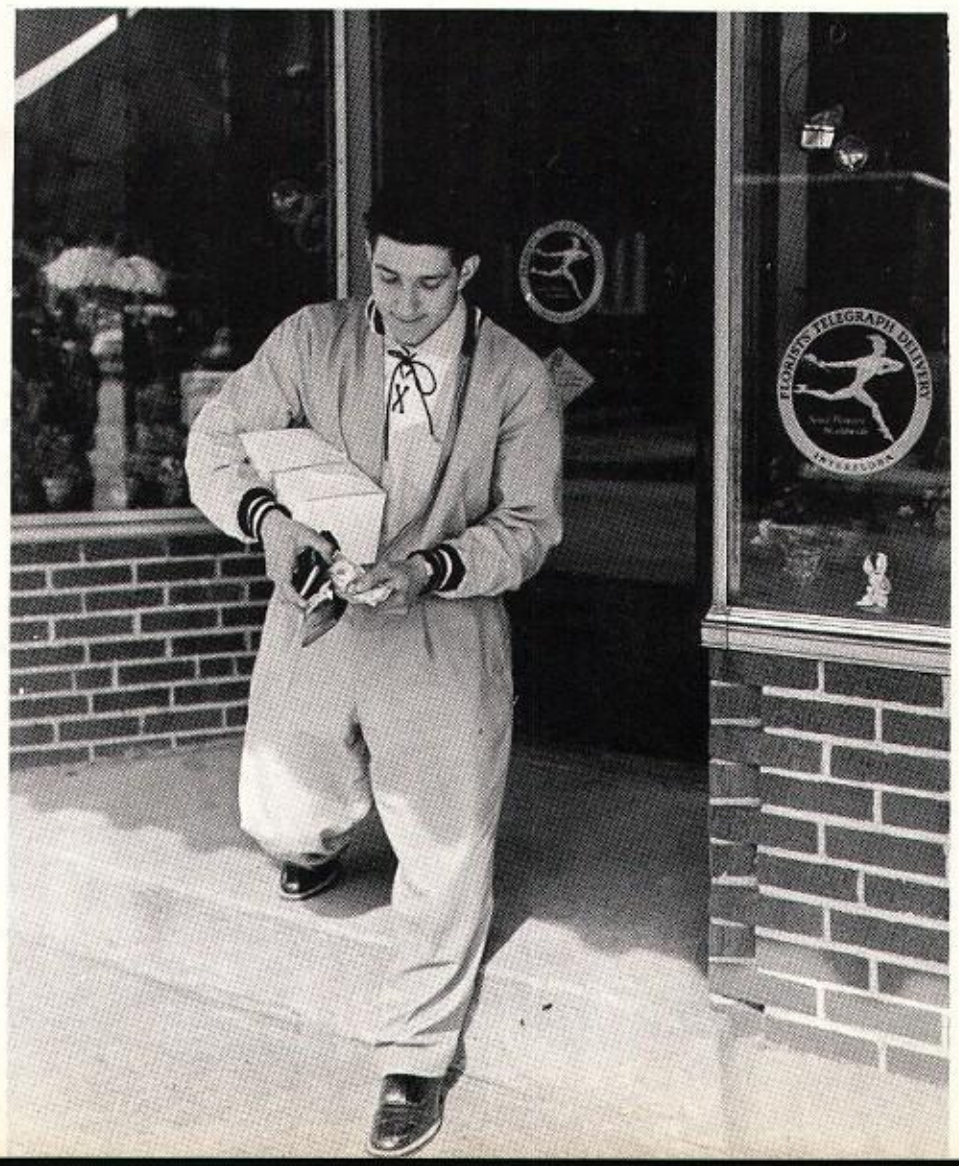
Prom time!

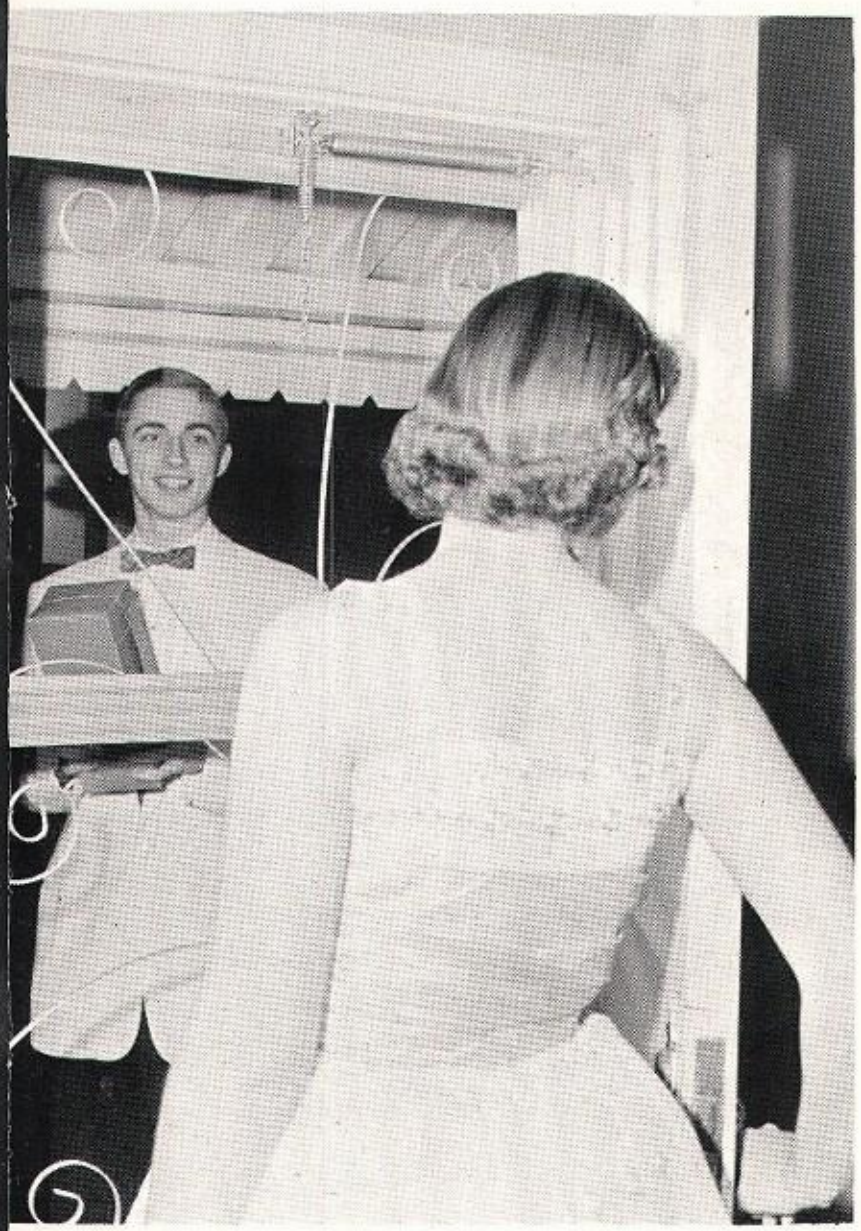
To make the end of the final year of a high school career perfect the Senior Prom certainly did its part. The Gibson Roof Gardens gave to all those lucky enough to be present an atmosphere both light and airy, and the satisfaction of having attended the "dance of dances."

Soap and water, hose and boots—all useless without good 'ole rubbin'.

Just can't wait any longer!

Money! Money! Money! But, oh, such pretty flowers!

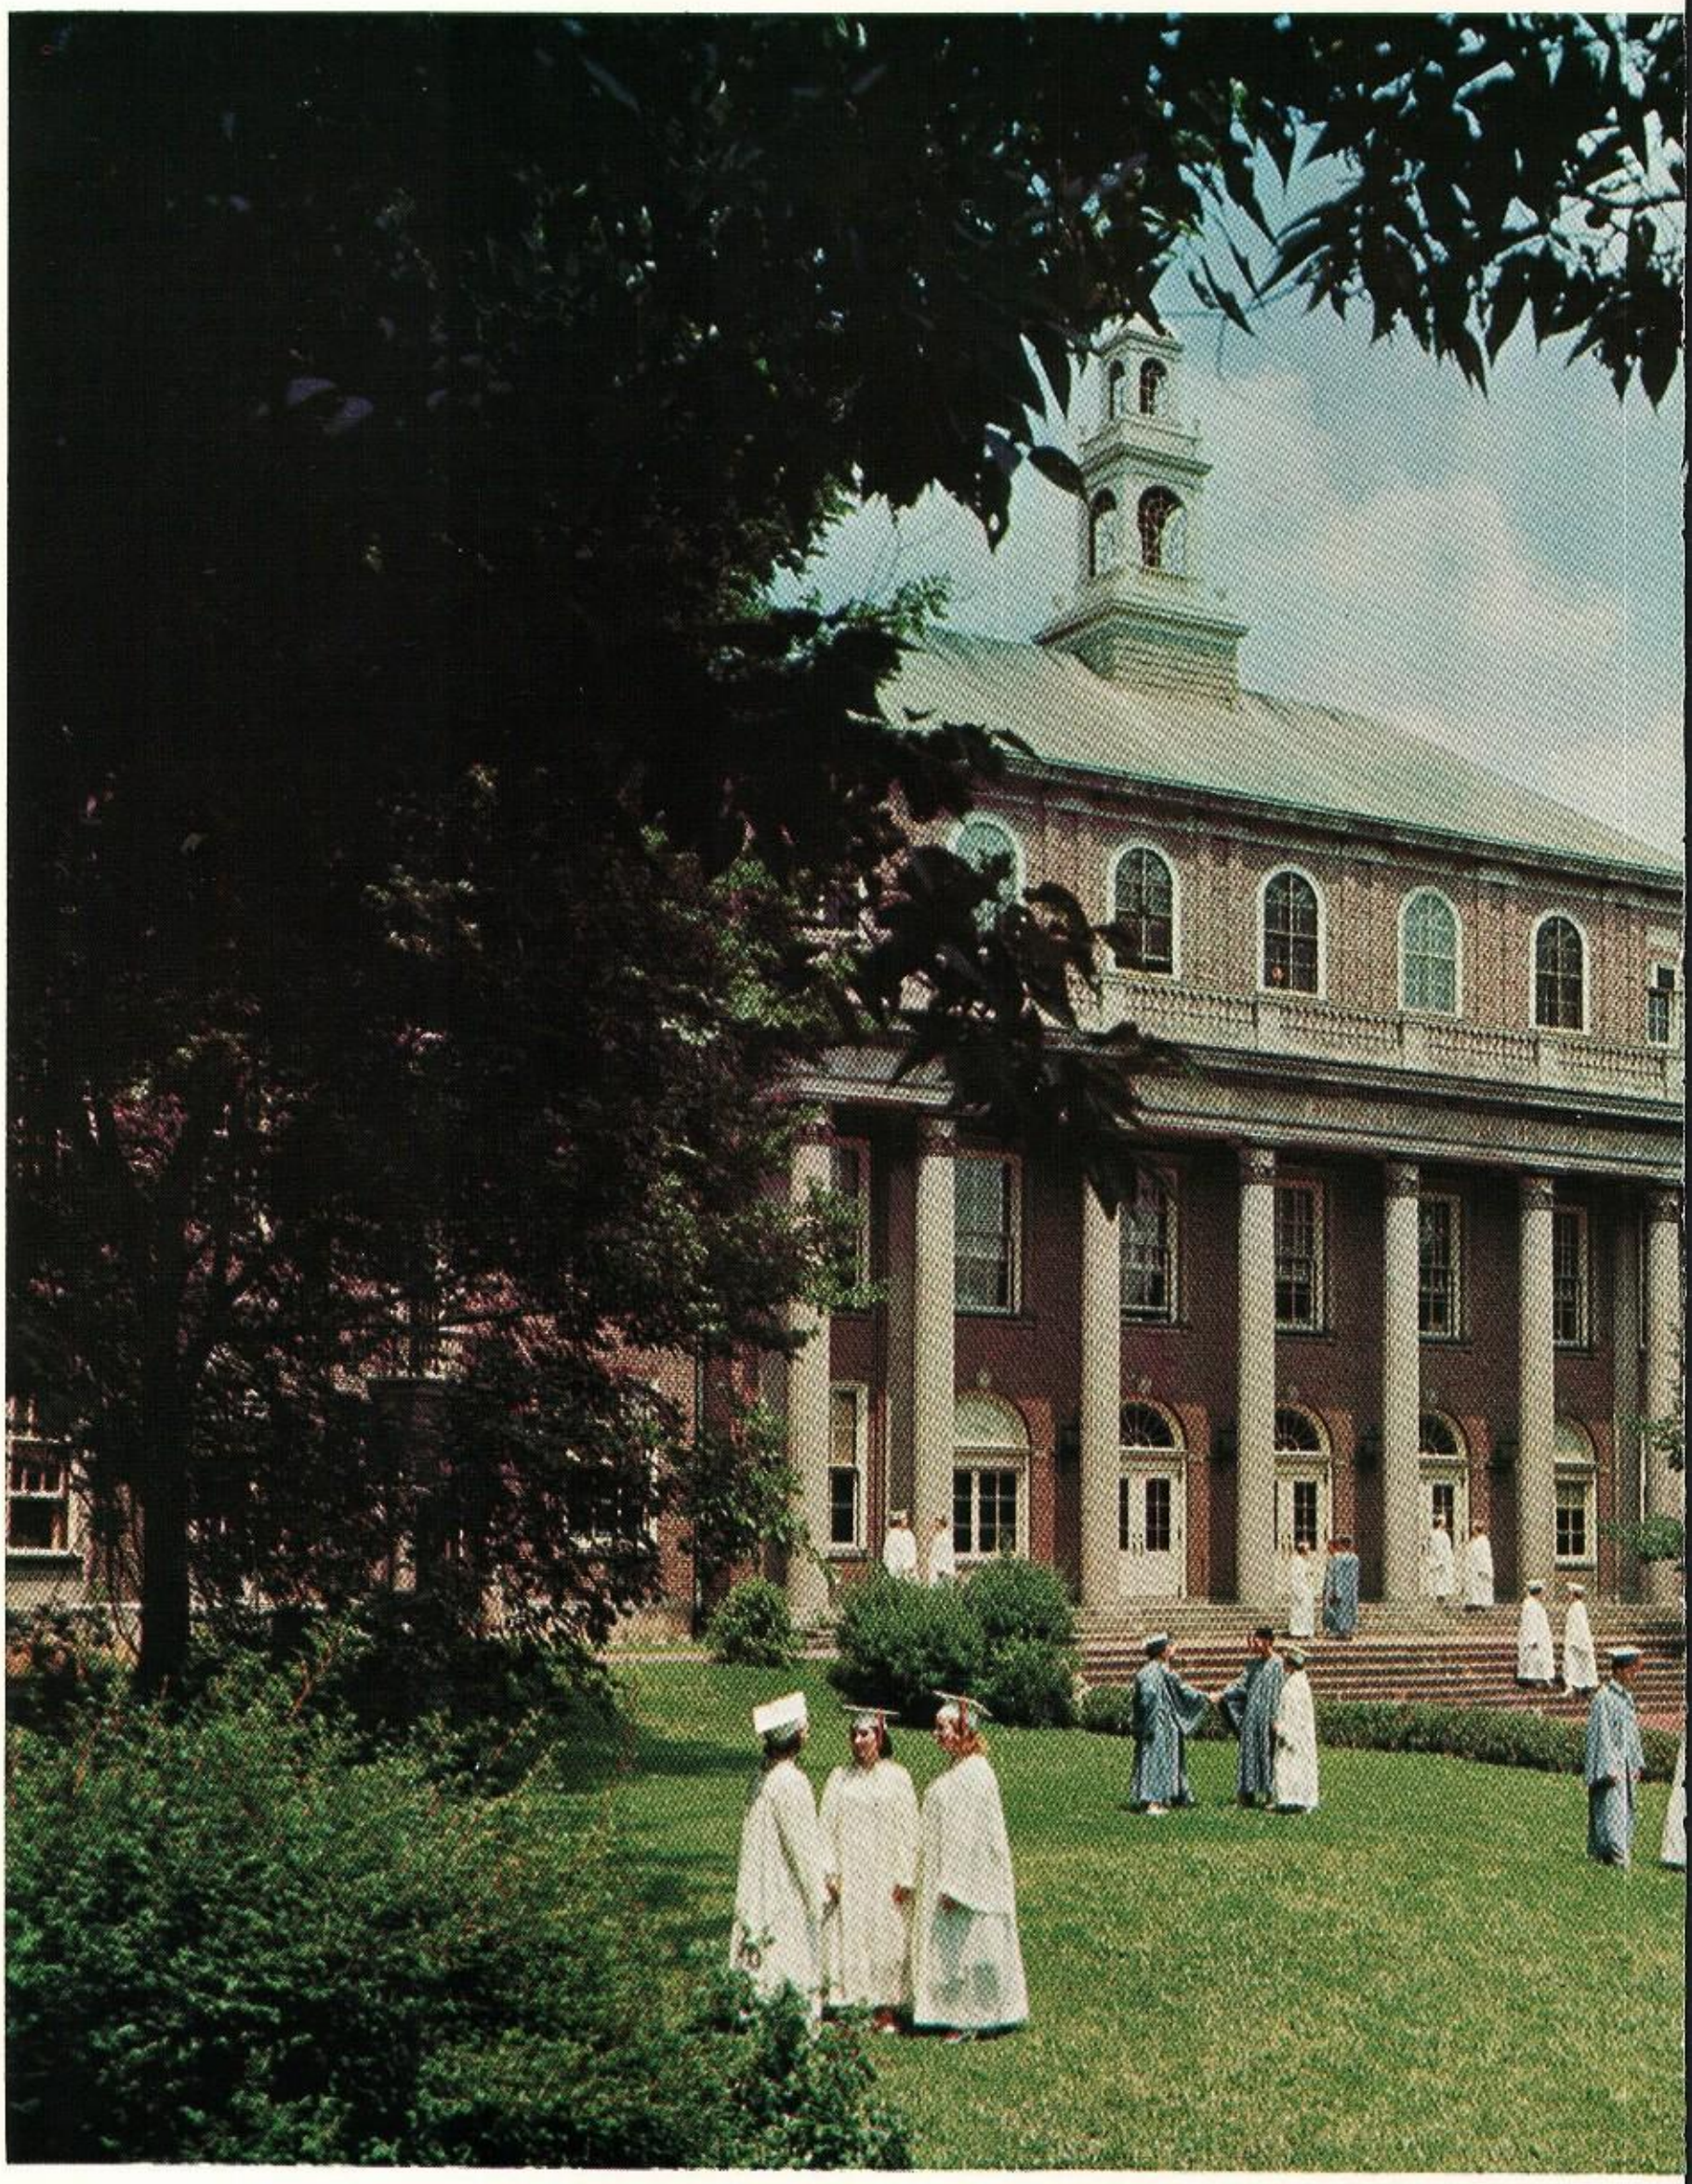


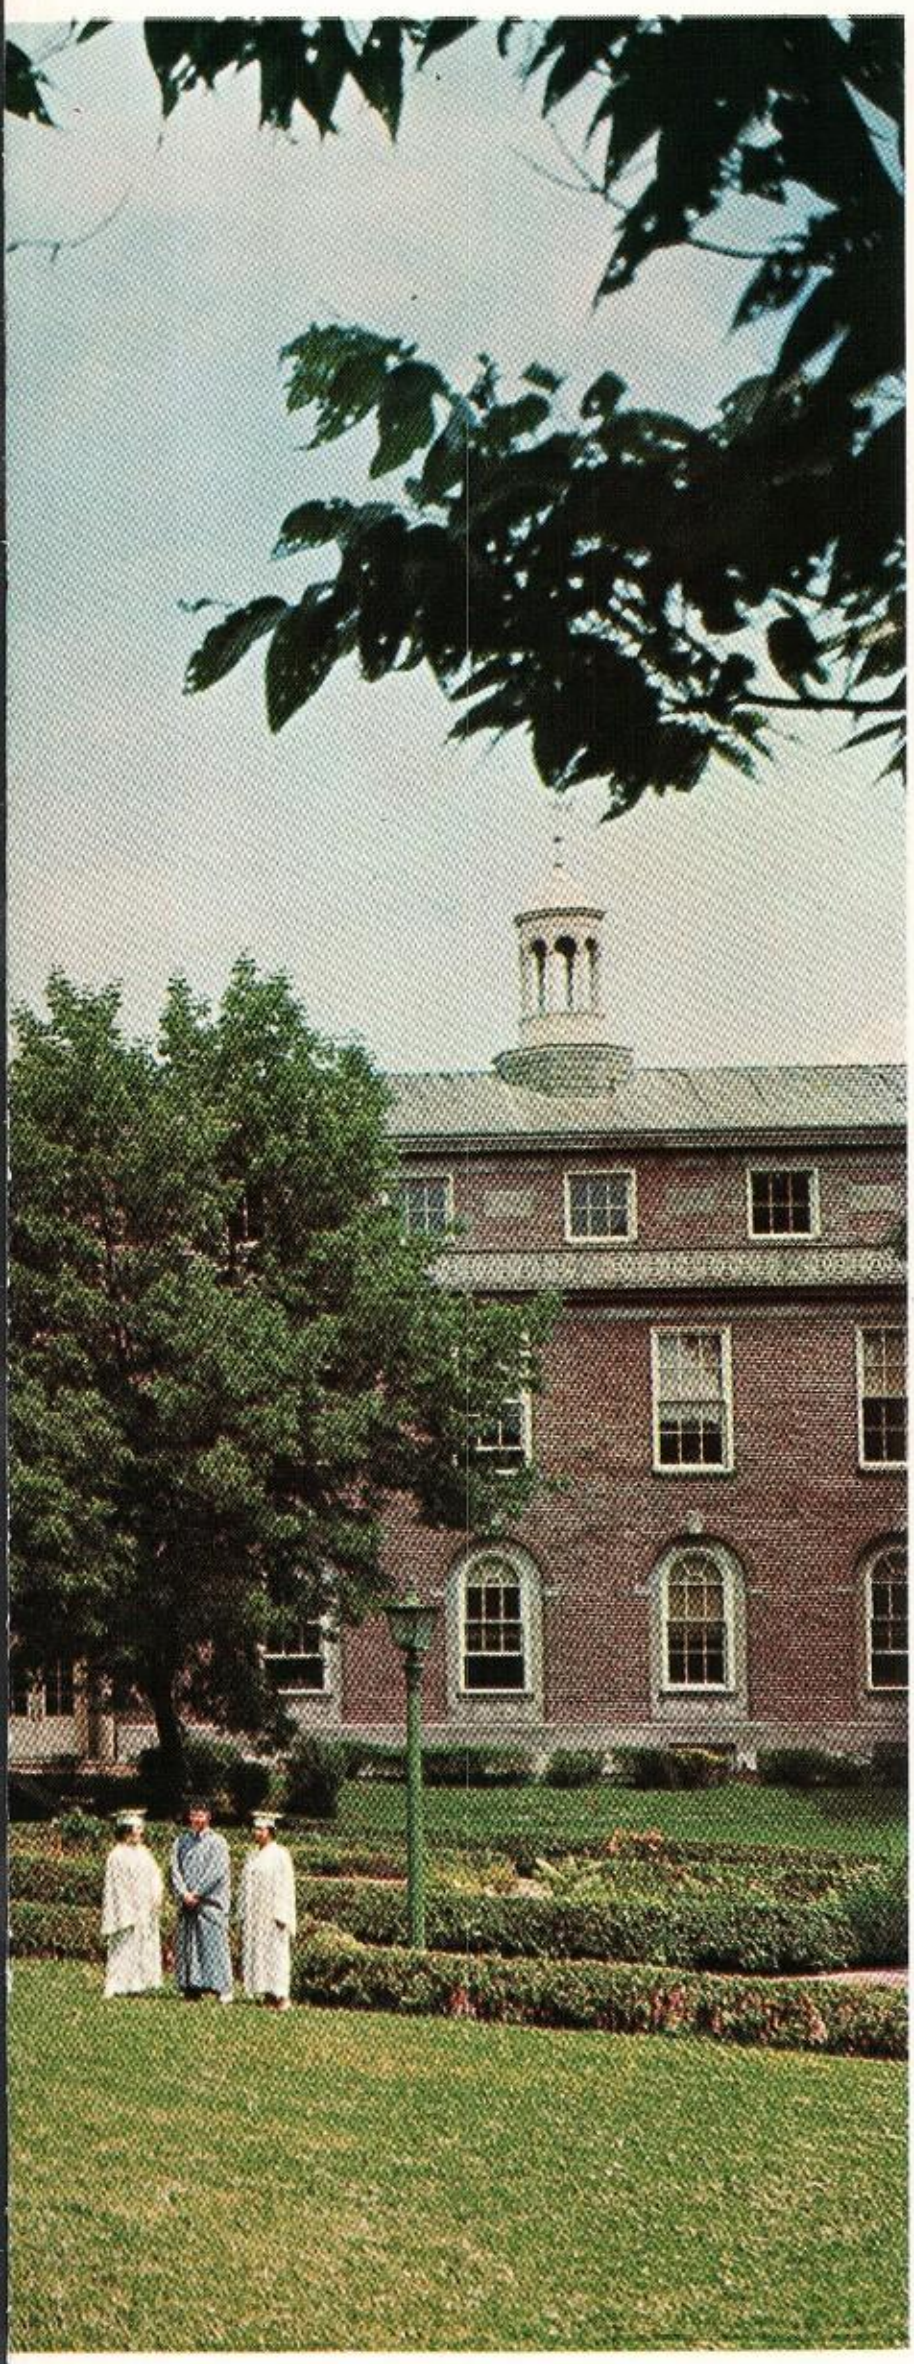


Finally the big moment comes as his face appears.

Mirror, mirror on the wall, reflect a beauty now.

The last few minutes of a wonderful eve are upon them as they tenderly share the morning news midst earlier arrivals. Sleep is forgotten, and the remembrances of those hours slipping by like seconds seem ever present now as parting time draws near.





Gentle slopes and lofty tower,
Radiant in the sun,
Arching bridge and shaded valley
All our hearts have won.
Withrow's beauty, Withrow's splendor
Fill our hearts with pride.
Love for you, our Alma Mater,
Ever will abide.

Friendships made in search of knowledge,
Cherished bonds and true,
Memories of golden hours
Hold us close to you.
As we venture from your portals,
Aims held ever high,
We'll turn back to glimpse once more
The tower 'gainst the sky.

Congratulations . . .

to the Class of '56

This is the first Withrow Annual produced by S. B. Newman Offset Lithography: a process which permits greater flexibility of layout without sacrificing reproduction quality.

The four-color-process pictures are another "first" at Withrow, and made possible by the savings in Offset Lithography.

The S. B. Newman Printing Company of Knoxville, Tennessee, invites the inquiry of any yearbook staff interested in producing a better school annual.

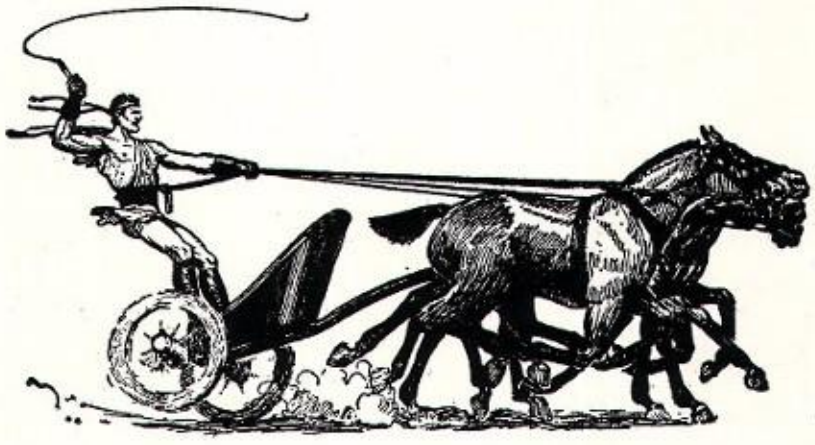
Turning Back . . .
THE CLOCK?



During the early Roman empire days the best means of transportation was the chariot. Today our best means of transportation is the automobile. Man has indeed come a long way in the field of transportation since Roman days. But, when we see the traffic congestion in our large cities we sometimes wonder if maybe the Romans couldn't arrive at their destination faster than our modern vehicles today. Some of the main reasons for our traffic congestion is inadequate roads and streets, no turn signs and the swarms of shoppers.

In the King James version of the Holy Bible, Nahum, chapter 4, verse 2, there is a famous quotation which is often recited as evidence that the advent of the automobile was prophesied during *Biblical* days. "The chariots shall rage in the streets, they shall justle one against the other in the broad ways: they shall seem like torches, they shall run like the lightnings."

Today our automobiles are the most modern and fastest in the world, yet, we have not kept pace with road construction. Until we have more modern and wider roads and streets we are still in the chariot era.

A great man . . . Mr. Mathias!

Now, the last page has come—and with it one final impression—perhaps the greatest that has been presented in this book. This impression is of **Mr. A. O. Mathias**—Withrow High School Principal, 1947-1956.

Mr. Mathias, for thirty-seven years, has been a part of Withrow. He has toiled, sacrificed, and even fought for Withrow. He has given of his time, of his emotions, of his love, and of himself.

This June over five-hundred Withrow students will graduate, and in so doing will have completed the building of a fine foundation for their lives. The underclassmen, too, have been molding stepping stones toward their adult life. Each year spent with Mr. Mathias has been a constant striving to build toward a fuller, better, more helpful life for each and every student. We are all most thankful for having had the privilege of knowing him and having worked and studied under him.

As we, who are seniors, receive our diplomas on graduation night, we will think of Mr. Mathias as receiving his also. No one has worked with more diligence and with more love for Withrow than has our beloved principal. No one deserves recognition more!

Now, we have come to the final words of the final page. As we look forward to fruitful life, let us also look back upon our impressions of these last school years. Let our **last** impression of our life at Withrow show our anticipations, our hopes, our desires, and our fondest dreams. If we have accomplished our worthwhile objectives, we have had the interest, the backing, and the help of a fine gentleman, and . . . a great man!
